Pittsburg Joins

In Paying Tribute to the Little Conqueror.

From Pittsburg Leader.

A young man went to a very wealthy and successful manufacturer a short time ago and applied for employment. "What can you do?" the manufacturer said, and the young man proceeded to tell in glowing terms of his wonderful ability.

"But I don't want to know what you say you can do," the gentleman replied, "let me know what others say you have done. Bring me recommendations from people I know and can trust."

It's the same way with medicines. People don't want to know what the manufacturers say they CAN do, but what those who have used them say they HAVE done. In presenting Doan's Kidney Pills we do not simply tell you that they are a sovereign remedy for all diseases of the kidneys, we tell you what they have done; people whose statement you can verify any day, and about whose testimony there cannot be the slightest shadow of a doubt. One case of particular interest in this connection is that of Mrs. Jas. Ferris, who lives at 491 Fifth avenue, Pittsburg, Pa., and who is well known in that community. "About 11 months ago," Mrs. Ferris said in telling her story, "I had a severe attack of lumbago, which settled in my back and kidneys. I spent a good deal of money consulting physicians and using various remedies, but all to no purpose. I was completely discouraged. The pain in my back was so bad, and there was such a dragging feeling, that I could not do any work, and was scarcely ever free from these terrible pains in my back. A couple of months ago my husband saw Doan's Kidney Pills advertised, and we decided to try them, although I am free to confess that we did not have much faith that they would help me. The result was a delightful surprise, however. They gave me almost immediate relief, and since taking them I have not been troubled at all. They did me more good than all the other remedies I had taken put together. I am glad to testify to the virtues of Doan's Pills."

You'll find Doan's Kidney Pills just as effective in your case if you are troubled with lame back, backache, a dull listless feeling that you want to get rid of, or any of the other forms of kidney disorder. You can get Doan's Kidney Pills at your druggist's, at 50 cents a box, or they will be sent postpaid on receipt of price by Foster-Milburn Co., sole agents, Buffalo, N. Y.
